LODI ACADEMY

12/01/2022

It's Christmas time! With the cold air, beautiful Christmas decorations, music groups rehearsing for Christmas concerts, and Christmas songs playing everywhere we shop, it's impossible to forget what season it is!

The highlight of the Christmas season so far has been the Annual Parade of Lights in Lodi on December 1. Lodi Academy and Lodi SDA Elementary teamed up with a well-lit, Christmas themed float and students from both schools walking and riding to represent our schools. It was a fun time! Special thanks goes to Karen Kanas and Kevin Haesche for their leadership and hard work designing and building the float. Special thanks also goes to the volunteers and staff that helped build and decorate the float and our students, parents, and staff that represented our schools in the parade. Special thanks also to the National Honors Society, led by Don Brassington, for their hard work setting up trash cans and cleaning up after the parade. This is a huge job and really helps our community with a large event like this.

Lodi Academy Music Department Christmas Concert is at the English Oaks SDA Church on Saturday night, December 10 at 6:30. Come worship with us as we experience the Christmas music of Mannheim Steamrollers performed by the Lodian Singers and the Lodi Academy Choir.

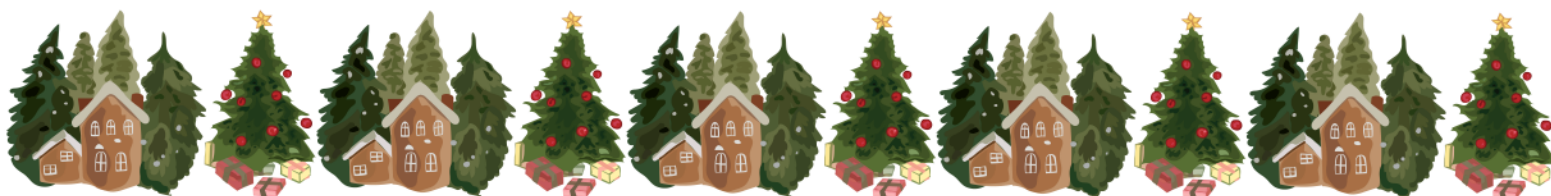

The First Semester is rapidly coming to an end. Please be aware of the up-coming deadlines:

December 9: All projects for all classes need to be finished by this date.

December 15-16: Semester Finals. Please look for a special schedule for these days that will be shared with you soon.

December 16: Once finals are done, school is out for Christmas Break!

January 3: First day of Second Semester
