# What's New

**LODI ACADEMY**

12/15/2023

**How important is family? Christmas is often a time of year when families get together to share memories and make new ones! How far back can you trace your family history? When we read the Christmas story in Matthew 1, it starts really slow with a genealogy of Jesus: “The book of the genealogy of Jesus Christ, the Son of David, the Son of Abraham” Matthew 1:1. If we read through the genealogy, we discover Jesus came from a family of famous, and infamous, Old Testament people. But why did Matthew take the time to write this genealogy down? Matthew 1:21 gives us the answer, “And she will bring forth a Son, and you shall call His name Jesus, because He will save His people from their sins.” Go back through the genealogy of Jesus again. Do you know the stories? Do you know the scandals of Jesus’ family? This is not a list of the elite, the perfect, or the royal family that could do no wrong. Instead, each of these people has a story to share about failure or sin. The mission of Jesus was to save His people! If he can save a family like His, there is nothing anyone has done that He cannot save them from! This is the heart of the Christmas message!**

**The highlight of the week at Lodi Academy was the Student Association winter banquet! Thank you to all the SA officers, parents, staff, and students who decorated the gym, prepared food, and made it an awesome evening!**
