# What's New

**LODI ACADEMY**

12/09/2022

It is the Advent Season, the weeks leading up to Christmas. We are inundated with the decorations, the music, the Christmas shopping commercials, parties, and so much more! But during this busy time, will you take some time and reflect on the most important verse in the Christmas story, Matthew 1:21?

*“And she will bring forth a Son and you shall call His name Jesus, for He will save His people from their sins.”*

Jesus' mission, to save His people from their sins! The purpose of the Christmas story, Immanuel, God with us! God becomes flesh. Have you ever wondered who Jesus' people are that this verse is referring to? If we were to go back to the beginning of Matthew chapter one, the first 17 verses is a long list of names of people in Jesus' genealogy. For those familiar with the Bible stories, this list does not gloss over the bad people. In fact, it even highlights some of the scandals they were involved in, “David the king begot Solomon by her who had been the wife of Uriah.” Scandal! The illicit affair between the king and the wife of one of his best soldiers led to corruption, coverup, death, and nearly the downfall of David's kingdom. But yet, the story is remembered in Jesus' family tree. Why? Because, Jesus came “to save His people from their sins!” Jesus did not come to save the righteous, but to save sinners. He came to save those who had corrupted their own lives so much, that at times, it seemed there was no hope. Jesus' family was a mess. But He still loved them anyway. He even chose to be part of their family! Here's the most important part of the Christmas story: Jesus came to save sinners. If he was willing to save even a family as corrupt as His own, there is hope for each of us today. He offers us the greatest Christmas gift ever- salvation, if we are willing to accept the gift!

**All are invited to the English Oaks Seventh-day Adventist Church  
Saturday night, December 10 at 6:30 PM for the
