LODI ACADEMY

02/04/2024

Last week was a busy week at Lodi Academy! Tuesday was our WASC mid-cycle visit we had a visitation committee with three members on campus for the day checking in to see how we are doing as a school.

The committee was impressed with our students, teachers, campus, academic programs, extra curricular programs that we offer, and the constituents they were able to meet with. Each of you play an important part in making Lodi Academy the successful school that it is. Of course, the purpose of the visit is also to talk about areas of growth. We look forward to the report back from WASC regarding these areas too!

Wednesday was Academy Day. We had more than 50 visitors on campus experiencing all that Lodi academy has to offer. We look forward to a great freshmen class next year too!

Thanks to all our students, staff, and constituents who participated to make this a successful event!

Throughout the week, in the school office, we also had our audit team reviewing the financial records for the last fiscal year. Thank you to Lance Lemos, our business manager, for all his hard work, attention to detail, and sound financial management!

This weekend many students in grade 9 and 10, as well as a select group of 11 and 12 graders as group leaders went to Leoni Meadows for Freshmore Retreat. The group came back spiritually blessed. They also enjoyed the snow! Thanks to our staff who made this trip possible! Here are a few pictures from the weekend:

On Wednesday prospective students enjoyed a fun-filled day at the Academy. Guests got a tour of our campus which included classroom observation and demonstrations. They enjoyed a delicious lunch, and played games with our students.

World Literature Class Welcomes Guest Speaker

On Friday, February 2, the sophomore World Literature class enjoyed having a guest speaker. Tina, originally from Iran, shared fascinating information and stories related to Persian literature, and gave us some important historical-cultural context to the current middle eastern literature unit that the students are learning about. The students enjoyed learning a few new Persian (Farsi) words and hearing Tina's stories and experiences.
