**LODI ACADEMY**

02/10/2023

Lodi Academy students are awesome! Last weekend a large contingent of Freshmen and Sophomore students, as well as students leaders from the Junior and Senior classes, were at the Freshmore Retreat at Leoni Meadows, along with students from other academies across the Pacific Union. For many students, this was one of the highlights of the school year that they have been looking forward to for months. It was great to hear from other schools, what a positive example Lodi Academy sets with the enthusiasm our students bring to these events!

Wednesday was Academy Day, with 54 visitors from 7th and 8th grade from Lodi SDA Elementary, Galt SDA School, Tracy SDA School, and students from other schools too visiting our campus. Lodi Academy students did an excellent job leading classroom tours, leading out in games, participating enthusiastically in worship, games, and all of the day's events. A critical part of recruiting for next school year is the contagious enthusiasm of our students! We also have a great staff at Lodi Academy that pulled together to welcome our guests! We look forward to welcoming many of these students in August as our new Freshmen class!

Congratulations to the Girl's Basketball Team for making the California State Playoffs! Our first playoff game is Thursday, February 16. Time, location, and opponent has not been published yet, but as soon as we know, the online school calendar will be updated and a notification will go out to Lodi Academy families! Great job Cambria Mann, Madie Johnson, Leilani Lemos, Kaleah Lemos, Olivia Kaestner, Jasmine Umipeg, Hannah Willis, Jonathan Solis (coach), Jacob Ortiz (coach), and Terry Nevis (coach)!

As we continue to plan for the 2023-2024 school year, there are some changes coming to Lodi Academy for next school year. Mr. Don Brassington (science teacher) is retiring and moving to Wisconsin. Mr. Solis and his family have the opportunity to spend a year in South America. Thank you to both Mr. Brassington and Mr. Solis for your passion for Lodi Academy and dedication to our students! Both of you will be missed!

Lodi Academy will be sharing updates very soon about new teachers for next school year.

Campus Ministries had a Valentine themed chapel on Friday. Students gathered in groups and wrote messages of how they see God's love on heart shaped paper. These papers will be displayed on campus this next week to celebrate Valentine's Day.

# Gross recycling got you down?

Bring your metal, plastic, and glass recycling to school in a plastic bag. Mr. Van Arsdale and the Freshmen class will make sure it's clean, empty, sorted, and disappeared. What a fundraising opportunity for you!

We don't want your money, just your trash.
