LODI ACADEMY

02/17/2023

Why does Lodi Academy emphasize learning outside the classroom? Why does Lodi Academy participate in athletics? At Lodi Academy we believe that students outside the classroom, experiencing the world around them, learn better. Take for example, the events of this week. Lodi Academy students had a very active day on Thursday. Some students went snow skiing at Bear Valley, others went bowling in Modesto, and our girls basketball team played Forest Lake Christian School in the CIF division VI playoffs. Each of our students had the opportunity to get outside the classroom and experience something different than their daily school routine.

Not only were these social events, they were educational events also. Andrej Miklavc, an Olympian, and International Olympic Committee Sport Ambassador, quotes a recent study out of Germany that "movement makes us smart." In this study, even one or two days of skiing can have a positive impact on student learning in school. Website: <https://www.linkedin.com/pulse/children-who-skiing-better-school-andrej-miklavc>

Why do we do these activities with our students? One important reason is that it helps them learn!

Special congratulations to the girl's basketball team: Cambria Mann, Madie Johnson, Leilani Lemos, Kaleah Lemos, Olivia Kaestner, Jasmine Umipeg, Jonathan Solis (coach), Jacob Ortiz (coach), and Terry Nevis (coach) for making it to the first round of the CIF Division VI playoffs! They had an excellent season, finishing with a 16-5 record. Even with a playoff loss against Forest Lake Christian School, the girls played hard, represented our school proudly, and gave it their all!
