# What's New

**LODI ACADEMY**

01/13/2023

Lodi Academy has had a busy start to the second semester! Students, teachers, and staff returned from Christmas break on January 3 to a campus that has lost some large trees due to the continued storms. While we are sad to lose some large trees, some that have been on campus for many decades, we are also very thankful that no trees have done damage to buildings! Praise God for that!

One of the highlights this week was Michael Mercado, graduate of Lodi Academy, class of 1995, as our chapel speaker on Friday. He is a doctor, serving in the United States Navy. He had stories to share about God's leading in his personal life and how important it is for students to go where God calls them. Lodi Academy is blessed to have amazing alumni that enjoy coming back to our school to visit and give back.

Upcoming events on the calendar include the Student Association Banquet, with the first night being a San Jose sharks hockey next Wednesday, and dinner the following Sunday evening. Also, in the near future, Lodi Academy's ladies and guys basketball teams are playing in the Pacific Union College Basketball tournament (January 25-28). Freshmen and Sophomores are invited to attend the Freshmen-Sophomore Retreat (February 1-4). For those interested, please contact Mrs. Sakata in the front office so you can sign up for the trip!

Remember, there is no school on Monday (Martin Luther King Day) and no school on Tuesday for teacher's for professional development. Because of this, see you on Wednesday!

## UPCOMING EVENTS

# PUC FINANCIAL AID WORKSHOP

## WED. JAN 18 @ 6:30PM

Greetings Lodi Academy Families,

As we head into the second semester some of our students are focusing more on what comes next! One of the essential aspects to our mission here at Lodi Academy is preparing our students for next steps in life after high school.

This week Lodi Academy is hosting a workshop for students and parents on how to plan financially for college. Dr. Edelbach, the presenter from Pacific Union College, will share a wealth of information on how parents and students, Freshmen to Seniors, can plan to make any college affordable. Be it a community college to a 4-year university, there is free money out there, through scholarships, grants, and combinations thereof, waiting to be claimed.

Applications for all scholarships and grants begin with completing the FAFSA form. The FAFSA is completed online and should be done before March because many of the available grants have an application deadline of March 3rd. If you are a Senior, do not let this opportunity slip by.

### Federal Student Aid

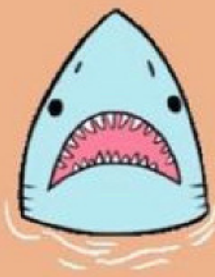

<https://studentaid.gov/h/apply-for-aid/fafsa>

It is critically important that this deadline is not missed. For more information please contact Mr. Solis

**NOW IS THE TIME TO APPLY FOR THE LEEF SCHOLARSHIP**  
**DEADLINE IS MARCH 1ST!**

LEEF exists for the sole purpose of directly benefiting the students at Lodi Academy and Lodi Seventh-day Elementary Schools through student scholarships. LEEF is funded by donations from those in our community that care about our schools and the students that attend them. Scholarships are awarded only to students attending Lodi Academy or Lodi Seventh-day Elementary School and are for the sole use of offsetting tuition costs. Applications are available in the office. Please contact Lance Lemos if you have any questions. (209)368-2781
