

What's New

LODI ACADEMY

1.7.2022

Greetings!

We have made it successfully through the first week of second semester! The highlight of this week was the Winter Banquet. Thank you to the Student Association who did a great job planning and organizing the event!

This week there have been a number of students at Lodi SDA Elementary test positive for COVID. We know that some of our students at Lodi Academy also have siblings at LSDAE. We have also had a student test positive at Lodi Academy this week. Should any student come down with COVID symptoms or test positive, please let our administration team know quickly so we can make adjustments.

We believe students learn best in person. Because of this, it is important for us to work together. If you are sick, please remain home until you are cleared to return to campus. If you have somebody in your family that tests positive for COVID, please remain home until the quarantine time has been completed.

Current CDC recommendation is a 5 day quarantine. For students who are asymptomatic, but have been exposed, they are cleared to return 5 days after exposure. For those who have COVID symptoms, quarantine is 5 days from the onset of symptoms and 24 hours after the symptoms subside, or until doctor has given the all clear to return to school.

ATHLETICS

The CVCA Basketball tournament is next weekend 1.14-16.22. We know there will be games Friday afternoon, Saturday evening and Sunday. Currently we have not heard of any plans for Sabbath daytime activities for the students. As soon as we get a schedule with game times we will send it out!

ACADEMICS

Semester grades are being finalized and will be sent out via email. If you have questions regarding graduation requirements or credits you should make an appointment to meet with Mr. Solis to make sure you are on track!

PUC - CLASSES FOR SENIORS

PUC is offering several classes to Seniors this next semester. Please come ask Mr. Solis if you have interest in taking one the following for college credit. There is a fee associated with getting the college credit.
