A Note From The Principal

Dear Students and Families,

LODI ACADEMY

07/17/2026

The countdown to a new school year is officially on, and we couldn't be more excited! Behind the scenes, our administration and team have been hard at work preparing for an incredible year of learning, growth, and new opportunities for our students. I'm excited to share that **student courses have been finalized**, and students will soon be making some exciting decisions as they select the electives that best match their interests, talents, and future goals.

One of the highlights of this school year is the addition of several **new elective courses**. We expanded our offerings to give students even more opportunities to explore their interests, discover new talents, and build skills that will serve them well beyond the classroom.

This year's elective offerings include:

- **Bell Choir** (Friday) with **Mrs. Zimmermann**
- **Welding and Auto Shop** with **Mr. Haesche**
- **Drama** with **Mrs. Zimmermann**
- **Speech and Leadership** with **Pastor Mahn**
- **Personal Finance and Woodshop** with **Mr. Lemos**
- **Anatomy and Physiology** with **Mrs. White**
- **Yearbook** with **Mr. White**
- **Art** with **Mrs. Kanas**

We hope every student embraces these classes with enthusiasm! Whether they're learning to weld, performing on stage, developing leadership and public speaking skills, creating artwork, building in the woodshop, studying the human body, managing personal finances, or ringing bells in our new bell choir, these electives are designed to help students discover the unique gifts God has given them. Along the way, they will learn practical life skills, creativity, teamwork, and communication skills that will help prepare them to make a difference in their families, churches, workplaces, and communities. Our prayer is that every student will grow in knowledge and character, using their God-given talents to serve others and ultimately **glorify God** in all they do.

Parents, please check out the flyer and new plans for beginning our PTO (Parent Teacher Organization). Yay! We welcome your support and partnering with us to strengthen our "ohana", school family.

We are looking forward to welcoming everyone back for what promises to be an amazing school year. Thank you for your continued support and partnership. We can't wait to see what this year has in store.

In Christ,
Principal Cooper
