A Note From The Principal **LODI ACADEMY**

06/26/2026

Dear School Family,

As we begin another exciting school year, I am reminded of Ephesians 6:6 and 7, which reminds us to serve wholeheartedly as though we are serving the Lord. That is the heart of our staff. We are committed to serving God by creating a school where every student can grow closer to Jesus, knowing that we are ultimately accountable to Him.

This newsletter is one of our primary ways of staying connected with you, so I encourage you to read it regularly. It is where you will find important updates, exciting events, and opportunities to be involved in campus life.

I also want you to know that I am listening. Thank you to everyone who completed the parent survey. I am reading every response, and I have also enjoyed many conversations with our students. Your feedback is helping shape the future of our school.

I am excited to meet with our new Student Association leaders and hear their vision for the year. They want to build a campus where everyone gets involved, friendships grow across every grade, every student feels they belong, and faith continues to grow. Their dream is to see our Friday evening vespers and school events filled with students who are connected to each other and to Jesus.

We are delighted to introduce "art" as a new fine arts elective next year, with even more great electives on the way as we continue listening to what our students & Families want.

Thank you for partnering with us as we make this a year of faith, growth, service, and belonging. I look forward to all that God has in store for our school family.

Blessings, Dr. Cooper

STUDENT ASSOCIATION GOALS

1. WE WANT ALL STUDENTS AT LODI ACADEMY TO BE INVOLVED AND TO PARTICIPATE.
2. WE WANT EVERYBODY TO MAKE MEMORIES AND HAVE FUN THIS NEXT SCHOOL YEAR.
3. WE WANT TO BUILD A POSITIVE COMMUNITY AND A SENSE OF BELONGING , AS WELL AS AN ENVIRONMENT OF SPIRITUAL GROWTH.

NEW ELECTIVE! WELCOME TO ART EXPLORATION!!!!

This class is a chance to slow down, create, and explore in the midst of our busy lives. We will experiment with a variety of artistic mediums, including natural materials, while drawing inspiration from artists and artwork that spark curiosity and creativity. Rather than focusing on art history, we'll spend our time making, collaborating, taking risks, and discovering new ways to express ideas.

Come ready to participate, share ideas, and explore alongside your classmates. Space is limited, so please let Mrs. Kanas know if you would like to be part of this creative journey!
