

# What's New

**LODI ACADEMY**

3/11/2022

Today marks the last day of the third quarter! It is hard to believe how fast this school year has gone by. It has been such a blessing to get to know teachers, students, their families, constituents, and the greater Lodi community!

This week has been relatively quiet on the Lodi Academy campus, with the exception of a group of Juniors and Seniors going up Wednesday to Pacific Union College for small group leadership training. The Freshmen and Sophomores will be going to the college and joining freshmen and sophomores from other Academies in Northern California for the weekend for 'Freshmore' Retreat. We pray for not only safe travel, a fun time, but an experience with Jesus that will deepen their commitment and relationship with Him.

Please watch for third quarter progress reports from Lodi Academy. We do have parent teacher conferences on Wednesday, March 16. These conferences are specifically for students who are struggling academically and will be done by appointment. Look for more information about this very quickly. Parents of other students are welcome to contact their child's teachers should they have any specific questions about their child's academics.

What to look forward to next week: Community Service Day is Friday, March 18! Spring Break starts March 19 and students return to school on Tuesday, March 29.

## Lodi Academy Graduate Looking for a Summer Job

Mikayla Zimmerman, who graduated in 2020 and is currently attending Southern Adventist University, will be home for the summer and is looking for a summer job in the Lodi area. She loves to work with kids and would love a nanny job but would also be happy with a desk job and is open to other options. Please contact Mikayla if you are interested @ (209)843-1299. Thank you.

# Devotional: Art Corner

By Reina Nozaki

Revelation 4: 6-8 says, “Before the throne there was a sea of glass, like crystal. And in the midst of the throne, and around the throne, were four living creatures [...] The first living creature was like a lion, the second living creature like a calf, the third living creature had a face like a man, and the fourth living creature was like a flying eagle [...] and they do not rest day or night, saying: ‘Holy, holy, holy, Lord God Almighty, Who was and is and is to come!’”

# "The Road Not Taken"

Seniors in AP Literature solve Mr. Surrridge's puzzle in his forest poetry lab, unscrambling Robert Frost's popular poem "The Road Not Taken" with its famous line "two roads diverged in a wood, and I—I took the one less traveled by, and that has made all the difference."
