## LODI ACADEMY

03/11/2024

Last week 29 Lodi Academy juniors and seniors traveled to Walla Walla University to explore colleges. It was neat for the group to also connect with Lodi Academy alumni who are currently attending Walla Walla University.

On Friday, Albert Miller the Northern California Conference Education Superintendent spoke for chapel. He was the first of a series of chapel and week of prayer speakers talking about this year's theme, "Say Yes to Jesus." He shared how God led him through subtle ways to where he is today.

Tuesday, Lodi Academy will be going to Bear Valley for the yearly ski/snowboard trip. The alternative activity for the group that isn't going to the mountains is a visit to Old Town Sacramento.

Just a reminder that third quarter ends on Friday, March 15. If students have been sick, or missed class for any reason, this week is the time to get work turned in.

Spring break starts March 25!

First day back in class after spring break is April 3.

# 128CM Memorial Student Golf Tournament

On March 22, 2009, a tragic plane accident claimed the lives of a pilot and four families, one of whom was deeply loved and known by the Lodi community. Mike Pullen, an alumnus of Lodi Academy, his wife Vanessa, and their two children, Sydney and Christopher, who had attended LSDAE, were one of the four families who lost their lives that day. Every year a golf tournament is held in Death Valley, California to honor the memory of the lives lost during the accident, including the beloved Pullen family. This year students Andrew and Lauren Payne, along with their dad Dr. Jeff Payne and Lodi Academy's own Lester Jensen had the opportunity to represent Lodi Academy at this year's tournament, raising over \$5,000. Way to go teams!
