LODI ACADEMY

03/17/2023

Ecclesiastes 3:1, "To everything there is a season, a time for every purpose under heaven." What "time" is it at Lodi Academy? Here are some of the things to look forward to:

Third quarter ended March 10! Graduation is May 27-28! For some, this date cannot come soon enough! For all of us, there is still tons to do!

March 20-29 is the Dominican Republic mission trip! Please pray for our students, staff, and families going on this trip!

Friday, March 24 is Community Service Day! We will be doing projects throughout our community that morning.

Spring is in the air! The orchards are blooming. There are signs of new life all over our communities. March 25-April 4 is Spring Break! Enjoy this time away from school!

Alumni Weekend is April 7&8! This is a great time to reconnect with graduates from recent years, and many years ago too. If you would be interested in helping with Alumni Weekend, please reach out to Jonathan Solis who is organizing it this year.

In the Athletic Department, it is also time for our Spring sports of Guys' Volleyball and Golf. Check out the schedule on the school's calendar.

The time is also rapidly approaching for the Spring Music Department tour to Southern California. Please look for details coming to you by email regarding this tour.

Special thanks this week goes to our students and teachers for their hard work keeping up with academics during such a busy time of year!
