## LODI ACADEMY

3/18/2022

Lodi Academy is officially on Spring Break! We have completed three quarters of the school year and before we know it, graduation will be here. Between now and then there is so much to do and so much on the schedule. I hope each of our students and staff will be able to take some time to rest over this break so that we are refreshed and ready to go when we return to school. School resumes on Tuesday, March 29.

Last weekend Freshmen and Sophomores attended the Freshmore Bible Conference sponsored by the Northern CA Conference at Pacific Union College. It was a blessing to spend time worshipping and learning from other academy students from around the Conference. We also had ten Seniors from Lodi Academy who were leaders at this event too.

Today was our community service day where Lodi Academy students did cleanup around our neighborhood and helped at Lodi SDA Elementary School and other locations. It's great to get our students out and serving in our community.

Events coming up right after Spring Break to have on your calendar are:

April 3, Music of Hollywood fundraiser for the music department. Tickets are on sale now for this event. There will be a concert, auction, and food for sale too!

April 8 and 9, Alumni Weekend, with Friday vespers and Church on Sabbath.

Keep track of many other events on the calendar for April at the school website!

Have a great Spring Break!

# CLASSROOM SPOTLIGHT

## Dual Credit US History

Juniors in Mr. Solis' Dual Credit US History Class test how a mortar crew would work. One student measured and calculated the angle needed to hit their target, two students held the mortar (they used a surgical tube), and a third student fired the shot.

## Community Service Day

“

"BE STILL, AND KNOW THAT I AM GOD..."

-PSALM 46:10

Our students worked on several projects today that helped our local community. Several groups of students zig-zagged our neighborhood picking up trash, another group spruced up yards in a senior citizen trailer park, and another group assisted our elementary teachers and staff with numerous tasks around the school. Thank you for working hard to help our community.
