LODI ACADEMY

5/16/2025

Two events this week highlight the students' experiences at Lodi Academy. The Student Association Banquet was Thursday night at the Champaign Ranch. Thank you to the Student Association officers for their hard work in planning the event. The theme was a "Footloose!" A western theme.

Thanks also to Jody Hernandez and her crew for the theme appropriate food!

The other event this week was the Community Service Day on Friday. Lodi Academy's motto is "the school that trains for service." On our community service day we put that motto into practice. Why does Lodi Academy take time to do community service during the school year? Yes, it is a part of the graduation requirement that students earn 25 hours of community service per school year. But service has been part of Lodi Academy's core identity since the school was founded. 5

Ecclesiastes 12:13, "Let us hear the conclusion of the whole matter; Fear God and keep His commandments, for this is man's all." After living life filled with every imaginable blessing, wealth, success and power, Solomon looks back on life and says this is what matters the most: Respect for God and following Him. What does it mean to keep His commandments? Jesus says the greatest commandment is to love God, and the second is to love your neighbor (Mark 12:28-31). We serve because of what Jesus has done for us. When we have experienced Jesus love, we share it by serving others.
