LODI ACADEMY

1.3.2022

WELCOME TO 2022

Welcome back to school for the New Year! As we begin the second half of the school year, here are some important changes. We are blessed to have some familiar people joining our teaching staff and we are shifting some teaching responsibilities. Pastor Jerry Mahn will be teaching Band, Choir, and Singers while still teaching Sophomore and Junior Bible. Pastor Manny Gonzalez will be teaching Senior Bible and I will be teaching Freshmen Bible. Audie Silber will be our new Life Skills-Home Economics teacher. We are so blessed to have Pastor Manny Gonzalez and Mrs. Audie Silber join our teaching staff!

As we come back from break, we are seeing an increase in COVID and other illnesses in our community. The best learning environment for our students is to be on campus. We will do our best to balance on campus learning and the health and

safety of our students, staff, and community. When we work together we are at our best!

Here is what we are asking of our students: If you are sick, stay home! Call the office to let us know. We will work with our students so they can keep up with school work. We will also work together to determine when a sick student or staff is cleared to return to campus.

While COVID is getting the headlines, remember that there are other illnesses that can be transmitted while at school too! Please watch for further updates regarding quarantine times and any COVID related policy changes. And remember, we can all do our part by boosting our immune systems with healthy eating, drinking water, avoiding sugar, and getting exercise and sleep!
