**LODI ACADEMY**

11/04/2022

Lodi Academy had an amazing week with the entire school traveling to the Monterey Bay Area to explore the history, culture, nature, and so much more the region has to offer. The entire school stayed in cabins at Soquel Camp Meeting Campground. We were so blessed to have Jody and Alexis Hernandez cooking our meals for us. We had morning and evening devotionals brought to us by our youth pastors, Pastor Janeen Little and Pastor Manny Gonzales. Pastor Jerry Mahn, our chaplain, led us in rousing song services each day.

Some of the adventures that we went on for 11th and 12th grades included visiting historical sites in Monterey, The John Steinbeck Museum, a Hindu Temple, The Carmel Mission, and the San Carlos Cathedral in Monterey.

Grades 9 and 10 explored the Monterey Bay Aquarium, the Tech Interactive Museum in San Jose, Henry Cowell State Park to explore the Redwoods, and Natural Bridges State Park to explore the tide pools and butterfly sanctuary.

This trip was possible because of the tremendous support of faculty, staff, and volunteers.
