LODI ACADEMY

10/06/2023

Spiritual thought for the day:

“Therefore, since we are surrounded by so great a crowd of witnesses, let us lay aside every weight, and the sin which so easily ensnares us, and let us run with endurance the race that is set before us, looking unto Jesus, the author and finisher of our faith, who for the joy that was set before Him endured the cross, despising the shame, and has sat down at the right hand of the throne of God” Hebrews 12:1,2.

Lodi Academy’s mission is to focus on Jesus! Because of what He has done for us, we are encouraged to live for Him each day and not get worn down by the burdens of the world. Jesus is victorious over sin and the grave, so we can live victorious today!

News this week from Lodi Academy:

Lodi Academy purchased 43 new Chromebook computers for students! These are already being used in the classrooms! A big thanks goes out to Karen Kanas (registrar), Daniel White (IT management) Lance Lemos (Business Manager), Tracie McCann (board chair) and Bruce Rich (Finance Committee Chair), and the school board for pulling together to identify a problem, find a solution, and purchase these necessary Chromebooks! Starting this school year, PSAT testing will be done entirely online. SAT tests will be online only soon also. When we discovered that our current Chromebooks would not work for this testing, this team did an excellent job finding a solution!

A special shout out this week also goes to the ladies’ volleyball team and their coaches, Maime Umipeg and Pastor Janeen Little, who are at the Pacific Union College Volleyball Tournament this weekend!

Pastor Meshach, a native of Southern California, now resides in sunny San Diego. His life story is a testament to God's transformative grace, turning his path from destruction to a life dedicated to love and service for God's Kingdom. Of Pacific Islander descent, with roots in Samoa, Pastor Meshach serves as the Board Chair for The Two Percent Ministry, an evangelistic and discipleship platform for Pacific Islander and Indigenous Communities and Churches within the NAD. Despite academic challenges, he earned his bachelor's degree in religious studies from La Sierra University HMS Richards Divinity School and a Masters of Pastoral Ministry from Andrews University Theological Seminary. With over 14 years of pastoral experience, Pastor Meshach has a strong focus on Youth and Young Adult Ministries in the SECC.

He recently served at the San Diego South Bay SDA Church for 4 years before answering the call to the SECC Youth Department, where he currently serves as the Associate Youth Director overseeing club ministries.

Passionate about life and ministry, he's an avid Paddle Boarder who hosts pastors' board meetings weekly at various locations. Pastor Meshach cherishes family life, being a father to his five sons and husband to his high school sweetheart, Linda Soli. Together, the Soli family lives by their motto:

'Magnifying the King, Multiplying the Kingdom, by Making Disciples for Jesus Christ.'
