Greetings from another busy week of school!

Last week we completed our third week of school by all going on the All School Campout to New Brighton Beach on August 31 and September 1. It was a great bonding time for all. It is our goal to quickly integrate new students into the Lodi Academy experience. Events like All School Campout are an important part of that. Thank you to the staff who transported students, planned and prepared meals, and supported students in planning activities and worships! We have a great team at Lodi Academy!

This weekend the Guys and Ladies football teams are traveling to Monterey Bay Academy for the MBA Football Tournament. Many families are traveling also to cheer them on! Lodi Academy is always well represented at these events! Go Titans! Special thanks goes to the staff and volunteers that make this event possible.

Next week, the publications classes, TAZ (The Academy Zone) monthly magazine, and Yearbook, along with their teachers, Mr. Van Arsdale and Ms. Sinz, are going to Pacific Union College for the Publications Workshop. This is a opportunity to learn, build team spirit, and develop new skills in the area of publications.

Next week, September 13-15, all Lodi Academy students will be taking the MAPS tests. This is a test students take three times a year that gives value feedback to students, teachers, and parents on their academic progress. The tests measure personal academic growth. Please encourage your students to get plenty of rest and to do their best on these tests. For more information visit: <https://www.nwea.org/map-growth/>.
