

LODI ACADEMY

09/13/2024

Lodi Academy is “the school that trains for service.” For over a century, the purpose of Lodi Academy has been to train students for service. While the world around us has changed, this motto remains steadfast. What does it mean for Lodi Academy today?

First, it starts with an attitude of service. Micah 6:8 says, “He has shown you, O man, what is good, and what does the Lord require of you? But to do justly, to love mercy, and to walk humbly with your God.” We are called to serve because of what Jesus has done for us already. Some examples of opportunities for students to volunteer over the summer include serving at Vacation Bible Schools and Summer on the Run day camp programs.

Second, an attitude of service includes an commitment to do what is right. Micah 6:8 includes “doing justly,” or doing what is right. An emphasis on justice is essential because we live in a world that doesn’t always value doing what is right.

Third, it is also important that Lodi Academy encourages a culture of forgiveness. Human experience is to fall short of our goals, but a culture of forgiveness encourages our students to grow and learn from their mistakes. Sometimes the greatest learning experiences come from our failures. A culture of forgiveness allows our students to become the young adults God has called them to be!

Flag Football Referees Needed!!

We are looking for Flag Football Referees. If you are interested in officiating flag football games at the elementary school or academy please come join this one evening class and learn/refine your skills. We are running low on officials and can use your help!

If you are interested here is the information you need to know:
