### WHAT A GREAT START TO SEPTEMBER

*We began the week by welcoming our seniors and sponsors home from their Senior Excursion to Lassen National Park! From stories about Theodore the Chipmunk to students sharing how much they enjoyed getting to know one another better, it is clear that wonderful memories were made.*

*And now it is time for the rest of us to make some memories! Our All School Campout is coming up, and we cannot wait! On September 13-14 our ENTIRE SCHOOL will head to All School Campout at Jenkinson Lake, Sly Park, and Apple Hill. Get ready for camping, fresh mountain air, beautiful scenery, fun with friends, and lots of laughter! We will also welcome the fall season at Apple Hill with crisp apple pie, festive pumpkins, cooler weather, and all the fun that makes this time of year so special! Our RiSE Mentors will also be introduced at the campout, making the weekend an exciting time to build friendships!*

*The chapel chairs are in, and it will not be long before we are sitting in them together! We are planning a special student dedication where we will gather in prayer and dedicate our new chapel to God. We are also planning a formal celebration and ribbon cutting to honor the many people who gave their time, resources, prayers, and financial support to make this beautiful place possible. What a blessing to have a place where we can gather, worship, learn, and unite!*

*On September 23, we will join together with our families and both schools for See You at the Pole. We invite our parents and families to come pray with us for our students, teachers, families, and schools.*

*And don't forget, Monday is a holiday! We hope you enjoy the extra day to slow down, and spend time with family and friends, September is already shaping up to be a month full of adventure! Enjoy your long weekend, and we'll see you at the campout soon!*

*Blessings, Principal Cooper*
