### “Verified Volunteers” screening

Planning to volunteer this school year or chaperone a class trip? Parents who wish to volunteer with Lodi Academy must complete a background check every three years. Verified Volunteers replaces Shield the Vulnerable program used in the past. To complete the volunteer packet, go to the “Resources & Links” tab on the Lodi Academy website, then click on “Volunteer Packet” to download the forms. Complete and return to the office.

### Purchase Scrip gift cards to raise funds

Buy scrip gift cards from the office and raise funds to go toward any school-related expenses not associated with tuition. A percentage of each gift card is returned to the school (75% to student/25% to PTO) and customers still get the full face value of the gift card. Retailers include a variety of grocery stores, restaurants, department stores, and more. Contact the school office for more details or to order.

### IOWA tests happening next week

IOWA tests will be administered next week Wednesday through Friday. Class schedules will be altered and posted next week. As much as possible, please limit appointments that pull students out of testing on the mornings of test days.

### Fun had by all on All-School Campout

Students and staff enjoyed their outing to the Santa Cruz Boardwalk and Sunset State Beach last week, participating in a number of interactive games organized by the Student Association. Big thanks to Mrs. Wallace and Mrs. Mann for awesome meals, and to Mrs. Mann for making the campsite arrangements.
