

# What's New

**LODI ACADEMY**

11/10/2023

On the 11th hour on the 11th day of the 11th month in 1918 the Great War ended with the surrender of Germany to the Allied forces. Since 1954 the United States has honored those who have served defending our country and the cause of liberty- Veterans Day.

We are blessed to live in a time and place where we experience freedom and peace, especially in a time when other parts of the world are experiencing terror attacks and wars. Let us never forget that this peace and freedom has been bought with the sacrifice of our Veterans!

President Ronald Reagan said, "Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free."

I am thankful for each generation of men and women who have served in our Armed Services protecting our freedoms! What we do at Lodi Academy- Christ-centered education and training students for service could not happen without their sacrifice.
