Scholarships and Financial Assistance

Lodi Academy understands that finances play a role in your child's education. Tuition is an investment in your child's future, and we recognize that at times families need additional assistance. It is our goal to make Lodi Academy available to as many students as possible and we work hard to find solutions for families who demonstrate a financial need.

Our local churches provide Financial Assistance for many of our students. Contact your church for more information and application. Deadlines vary, so apply early!
